Prayer Requests

Write your most urgent prayer requests above or use the extra space on the back of this card. You may need a touch from God for your family, your finances, in your spirit, soul or body. We are going to pray and intercede for God's powerful anointing to saturate your prayer cloth. I will then send a prayer cloth to you, believing for you to receive the ONE TOUCH of God's miracle-working anointing in every situation.
